Australians All
at the Crossroads

Edited by
Rhonda Craven, Anthony Dillon,
and Nigel Parbury

"I look forward to the success of this important work; to seeing it in our schools, in our libraries and to see its impact on the thoughts and processes of governments, their departments and other relevant organisations. The issues highlighted by the authors impact on the lives of all Australians; your contribution to a better road ahead for Australians All is most appreciated."

- Adam Giles, Chief Minister of the Northern Territory
