Preface

We are happy to bring out the first edition of this book on 'Advanced Cost Accounting' as needed for the UG and PG level students. All the chapters of this book have been thoroughly packed with advanced problems and up-to-date theory. The book has been divided into five chapters to fully cover the syllabus of B.Com, B.Com (CA), B. Com (FA), BBA, BBA (CA), M.Com, M.Com (CA) students. This book presents the subject in a simple, clear and systematic manner. The book meets all requirements of Periyar, Thiruvalluvar, Madras and various other Indian Universities' syllabi. Several new problems have been taken from the latest examination questions and incorporated as illustrations or practical problems in the chapters. Short answer and long answer type of questions have also been added.

We are thankful to the professors of Periyar University for their input and Vikas Publishing House for the untiring efforts to publish the book in time with a new style and attractive format for the students. We are deeply indebted to all our students and friends who have helped us to bring out this book.

Further suggestions for improvements are welcome from professors as well as students.
